Michael Jackson in 2010 must have been following me in the news or music or movies because I was in an AA meeting with (b)(6);(b)(7)(C) one evening. The meeting ended and on our way out of the building I overheard someone say Michael Jackson died. UNBELIEVABLE! When I got to my apartment I found out he died for sure. What I learned was he must have been watching me because I recently was fighting with (b)(6);(b)(7)(C) (b)(6);(b)(7)(C) This couple was involved with a lot of money being traded in record deals and time shares and flights around the world. I wasn't able to receive any help whatsoever from the people that claimed me on taxes? Plus they would not give me any freedom from forced medication that hurt me more than helped me. Actually I still do not see or hear of any goodness that the medicine gave me. I'm Believing that Michael Jackson caught wind of my situation and somehow money was exchanged through wrong people or doctors and with/without?; Michael Jackson's permission, Michael Jackson took a lethal shot from some corrupt doctors "quack(s)" Especially when Michael Jackson was fighting probably just as many of enemies as I was fighting. This needs to be investigated right now because there are children involved that have every right to know the truth about Michael Jackson's innocence!		-	Other Reasons - Not Reasonably Described

20191070	8/26/2019	I am seeking to give Barbara Bush and her family a chance to discuss what they need to do with my case. Since these requests go straight to them I hope they realize I get \$120 this Monday and on September 3rd I get approximately \$145. This will be the only money for me for the whole month of September! Since Barbara has been like my full time work me being totally dedicated to her I am not able to find any employment. This SSDI funds is the only thing I have to survive on. This is the only way they show me how to communicate with them. This social isolation started in 1999, and this social isolation has continued to the present of 2019. Hundreds of people hire proxies or look alike or mediators but they do not communicate directly with me by calling me up on the telephone or writing me a letter or visiting me in person and directly. Instead, they communicate indirectly, and they often miscommunicate in coded symbolic language that is vague, confusing, and meaningless. This symbolic coded language is arbitrary, convoluted, bizarre. Due to social isolation, I do not have a home nor a homeland nor a professional home, and in effect I am homeless. I am being denied home security and homeland security and professional home security. On what grounds am I being denied home security?		-	Other Reasons - Not a Proper Request
