20240899	06/24/2024	<p>1. Records from March 20th, 2009, to December 1st, 2017, of a first-of-its-kind white house room involving a psychic/clairvoyant/person with extrasensory perception (ESP). A United States citizen who was blocked by an alien adversary or "psychic adversary" or an "extraterrestrial", in a room involving Extrasensory perception (ESP) or "remote support." Members of the room would provide emotional remote support knowing that the citizen would psychically perceive the remote emotional support. White House room members would also directly argue with the alien, flow emotion and reality against the alien or extraterrestrial, hoping the alien would then allow the citizen of the United States to be more free, have a better life, and allow the United States government to help him. The room was not active the entire time between March 20th, 2009, to December 1st, 2017; it might have only been active for a few months or a couple of years within that timeframe.</p> <p>2.
